

MTA 2024 Open Data Challenge Submission Form

Thank you for submitting your project to the MTA 2024 Open Data Challenge!

All projects must use at least one MTA dataset on data.ny.gov. A full list of MTA open datasets can be [found here](#). Projects of any medium are welcome: examples include a web app, static data visualization, a map, written report, or piece of art. We are excited to see how you will use our open data!

Your project, project description, and this submission form must be emailed to opendata@mtahq.org with the subject line: “**MTA 2024 Open Data Challenge Submission**”. All submissions are due by 11:59pm EDT on October 25, 2024.

Terms and Conditions
